

# DESIGNATED EMPHASIS *in* COMPUTATIONAL *and* GENOMIC BIOLOGY

In addition to the Petition Form, please include the following documents:

1. One recommendation letter. This letter must be from a faculty member of your Associated PhD Program.
2. A succinct one-page statement about your background and reasons for applying to the DE. Describe your short-term and long-term training and research plans in the fields of computational biology and genomics at UC Berkeley.
3. Curriculum Vitae, if applicable.
4. Up-to-date copy of all undergraduate and graduate transcripts.

## PETITION

Last Name:		First Name:		Middle Name(s)		
Address:		Apt. or Lot #	City/Town:		State:	Zip Code:
